scholars of different confessions was an exception rather than the norm

'exegesis narrative criticism c murphy scu
May 14th, 2020 - literary criticism in general literary criticism is a broad term enpassing several different approaches to the literary text
The term was used for any form of close reading of the text and thus could encompass form and source criticisms.

'Biblical literature: The Christian Canon'

May 25th, 2020 -

Biblical literature received its Bible from Greek-speaking Jews and found the majority of its early converts in the Hellenistic world. The Greek Bible of Alexandria thus became the official Bible of the Christian community, and the overwhelming number of quotations from the Hebrew scriptures in the New Testament are derived from it.
