Druidism has two strands: the cultural and the religious. The beliefs, rites, and practices of druidism originated in Britain during the 18th century first as a cultural movement but later extended to include religious and spiritual connotations in the 19th century. Today, it is said that modern-day druidism has no real historical continuity to the druids of Iron Age Europe, although many modern followers refute this.

Teaching and Practice

Order of Bards, Ovates, and Druids

June 4th, 2020 - At the heart of druidism lies a love of nature and her changing faces as the seasons turn. Eight times a year, once every six weeks or so, druids participate in a celebration that expresses this love.

The Dark Side of Druidry

John Beckett

June 4th, 2020 - The dark side of druidry is scary. It can be dangerous and carries more responsibility than many of us prefer to accept, but it is as much a part of our heritage as plant lore and poetry.

Druidry Modern

June 5th, 2020 - Druidry, sometimes termed druidism, is a modern spiritual or religious movement that generally promotes harmony, connection, and reverence for the natural world. This reality is extended to include respect for all beings, including the environment itself. Many forms of modern druidry are modern pagan religions, although most of the earliest modern druids identified as Christians.
