'MAY 25TH, 2020 - gay couples no longer apostates in mormon faith across america us the church of jesus christ of latter day saints has also lifted a ban on baptisms for children of gay parents, including one last week'

'the mormon church reversed a policy that had long deemed gay children apostates, allowing their families to baptize them against the religious wishes of parents.'
The Mormon Church entered the public square on LGBT issues by joining forces with traditional marriage proponents in Hawaii in 1993 since then the church has been a significant player in the ongoing saga of LGBT rights within the United States and at times has carried decisive political clout. In a new book, historian Gregory Prince traces half a century of the church's policies and attitudes towards the LGBTQ community and he joins us Tuesday to talk about it. Greg Prince is an independent historian. His new book is called 'Gay Rights and the Mormon Church: Intended Actions, Unintended Consequences.'
